Sunny Skies sleeps in the morning
he doesn't know when to rise
he closes his weary eyes upon the day -
look at him yawning
Throwing his morning hours away

He knows how to ease down slow
Everything is fine in the end
and you will be pleased to know
That Sunny Skies hasn't a friend

*Greg Michaels

Sunny Skies weeps in the evening
It doesn't much matter why
I guess he just has to cry from time to time

Diane,
 To a really nice
 chick. It's been having
 you in Biology. Maybe
 we'll be in some classes
 together next year.

Have fun this summer

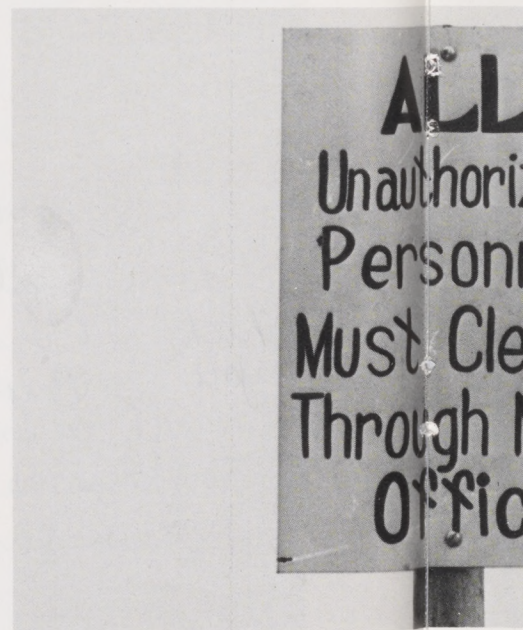

See you

It is pleasing to know that through recent legislation, this year's graduating seniors will have more immediate privileges than ever before in history. Voting rights, along with other privileges, are now yours to enjoy. However, as you also know, with these opportunities come corresponding responsibilities, the same responsibilities as shared by older adults.

I firmly believe that today's seniors, comprising the graduating class of 1973, have earned these privileges. Our youth are better educated, are more aware, and have greater insight into the problems and the needs of today's society than any group that has ever preceded them.

Therefore, you, as a 1973 graduating senior, are able to assume the responsibilities that always accompany privileges.

This year's graduating class has already demonstrated a high degree of maturity and ability. For each of the past four years it has been a real pleasure to have you with us, and we will be hoping for much future success and happiness which I know will be yours.

Congratulations and best of luck.

If you can keep your head when all about you
 Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
 But make allowance for their doubting too;
If you can wait and not be tired of waiting;
 Or, being lied about, don't deal in lies;
Or, being hated, don't give way to hating;
 And yet don't look too good, nor talk too wise;

If you can dream - and not make dreams your master;
 If you can think - and not make thoughts your aim;
If you can meet with Triumph and Disaster,
 And treat these two impostors just the same;
If you can bear to hear the truth you've spoken,
 Twisted by knaves to make a trap for fools;
Or watch the things you gave your life to, broken,
 And stoop and build them up with worn-out tools;

If you can make one heap of all your winnings
 And risk it on the turn of pitch-and-toss,
And lose, and start again at your beginnings,
 And never breathe a word about your loss;
If you can force your heart and nerve and sinew
 To serve your turn long after they are gone,
And so hold on when there is nothing in you
 Except the will which says to them, "hold on";

If you can talk with crowds and keep your virtue,
 Or walk with kings - nor lose the common touch;
If neither foes nor loving friends can hurt you;
 If all men count with you, but none too much;
If you can fill the unforgiving minute
 With sixty seconds' worth of distance run,
Yours is the earth and everything that's in it,
 And - which is more - you'll be a Man, my son!

It is the supreme art of the
team to awaken joy in creative
actions

A Change In The Wind

It is difficult to write something positive about a 2-7-1 season, but in many respects this year will be remembered as the end of the losing attitude in Madera Football. In the past five years Madera Football has been losing, and, in the progress, being embarrassed. The 1972 Coyotes reversed that trend of total domination by every opponent regardless of their talent or dedication.

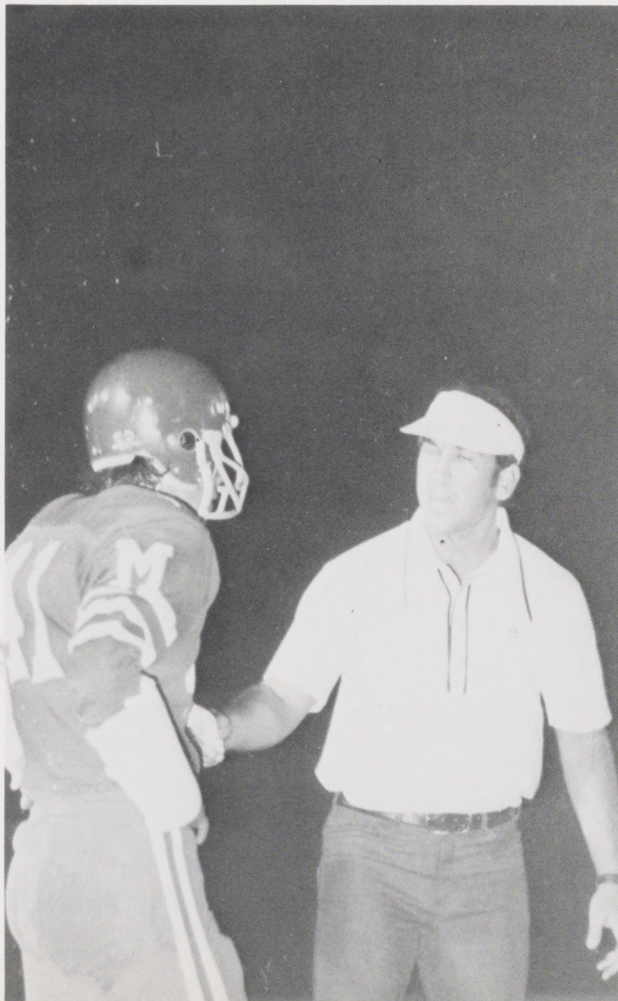

With the exception of one game, the Coyotes played hard-nose physical football with every opponent, never embarrassing themselves or Madera High School. What this team leaves for the future football teams to follow is a 100% resolution to victory and the elements that make such an event possible: long difficult hours of mental and physical preparation so that too much of yourself is invested into the program to accept anything but victory.

There is a short quote that we believe represents the Madera Football Team's philosophy:

"In this world of give and take
there are too few willing to give
what it takes."

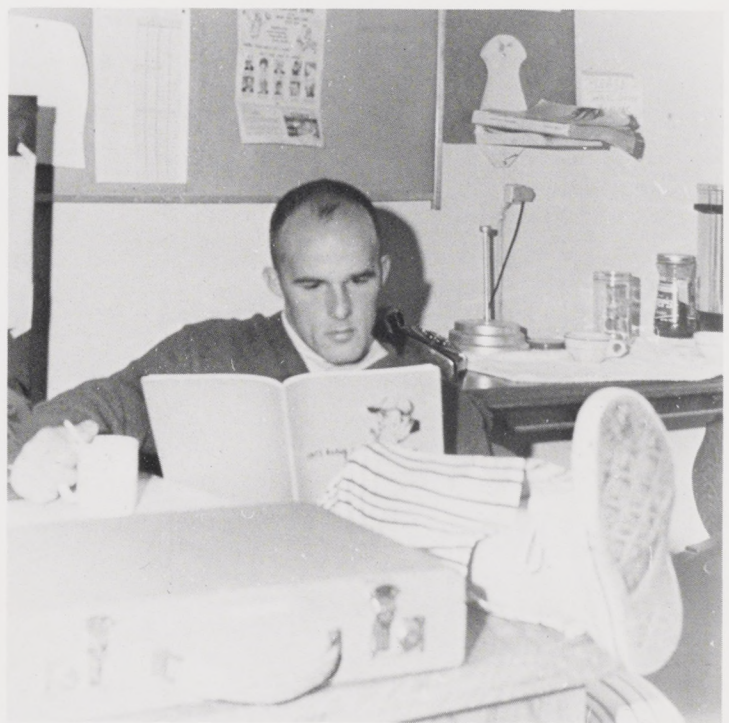

We believe there is change in the wind and that change was caused by the 1972 Football Coyotes.

Defense again has a meaning in Madera. The 1972 Coyote defense displayed a tenacious, aggressive, and at times fanatical desire to dispose of enemy ball carriers. Pursuit and gang tackling typified the Madera move toward smaller, quicker men who could create the havoc necessary to make the Coyote 4-4 an effective fighting weapon.

As any new piece of equipment, the Coyote Defense took time to become oiled. Against Dos Palos, the unit displayed infrequent moments of brilliance while losing 28-12.

In their second encounter, Madera's best travelled to San Luis and lost 21-19. Mental breakdowns and poor tackling right before the half led to an 83-yard run and the game-breaking touchdown.

Washington Union came to town with a vaunted passing attack. Holding the Panther's ground game in check, the Coyote's execution versus the pass left much to be desired. A seemingly super pass defensive effort turned into a nightmare as a tipped pass was caught for a touchdown right before the half. The Coyotes fell, 19-6.

The league opener was the flattest exhibition ever displayed. Roosevelt won 21-0, but the defense came alive and held the Roghriders to four (4) first downs in the second half.

Homecoming versus Edison! Who can forget Joey Catuiza and Louie Razo and the rest of the defensive unit as they stopped the Tigers cold inside the Coyote five-yard line on a tremendous display of "sucking it up." Madera won 7-0.

The defense had finally arrived. However, Clovis scored two quick touchdowns and defeated the Coyotes 14-2, delaying the complete arrival somewhat. Defensive adjustments versus the Cougar offensive sets were slow in being made, leading to their one drive of over 90 yards.

Ratcliffe Stadium and Bullard was next. "Bend but never break" took on an added significance as the Coyote Defense yielded 300 yards to the Knights' Wishbone, but gave up only six points. A great 21-6 victory versus a Bullard team who in the previous two years had scored 54 and 38 points against Madera, while holding the coyotes scoreless.

Defense versus Fresno and McLane was at times super, at times miserable. Although both were lost (23-2, 28-7), these games showed the Coyotes that they could play with the big Fresno "powers" on any given day. Ineffective tackling led to both losses. The hustle and pursuit were still there.

Winding it up at San Joaquin Memorial Stadium and Hoover High School, it all came down to PRIDE. The ravenous pack of Coyotes had it. A 0-0 deadlock that saw the Patriots move the ball well between the 20-yard lines, only to be stopped cold by the crew of Hill, McGhee, Razo, Catuiza, Imrie, Crump, Badorine, Madole, Freeman, Pitts, Jones and Biscay when they neared the Coyote goal line.

after losing Season Sophomores Look ahead to next year

As everyone knows, the season this year was of a disappointing and frustrating nature. There are a number of reasons for this, but we as coaches believe it was not because of lack of ability or determination, but rather a lack of experience with the winning attitude and winning tradition.

Looking back on the season, it was frustrating because we never capitalized on the other teams' mistakes; never quite got our offensive and defensive teams together in one game; and most of all, never reached our potential throughout the season. Result, 0 and 10.

The season had some bright points however. First, we did play with 8 Freshmen that gained tremendous experience for next year. Secondly, 40 boys wanted to play football for Madera in August and when the end of the season came, we had 37 of those 40 left — that is dedication, especially during a losing season. If this attitude continues Madera's football program is on its way UP!

After Tying and Winning Freshmen Move On

1972 was a frustrating year for the Madera freshman footteam. The team record (1-6-1) does not adequately show the success of the program. It does not reflect a 1-1-1 record in the last three games (despite the loss of the starting quarterback), nor the fact that nearly 50% of the starters in the final games were not on the roster for the first game.

The team was led by tri-captains, Cory Miller, Gary Chavira and Gary Melenbacker, though nearly everyone contributed substantially to the team effort.

In retrospect, the freshman team experienced great growth in and through the football program. Their final game found them to be a cohesive, well-disciplined, aggressive team that played like winners-which of surety they will be in the years to come. There will be many fine Madera Varsity performers from this squad.

COYOTES DRIBBLE ON

The 1972-73 edition of the Madera High School basketball team has an accent on youth. Only four seniors made up the thirteen man varsity roster.

Though the team was young, it had five players who had previous varsity experience. Included in the returnees is leading rebounder and number two scorer Darrell Smith. Along with Smith, Fred Thomas, Mike Say, Bob Poythress and Ira Farmer started at various times last season.

The Coyotes were bigger and quicker this year. Coach Gary Adams hoped that improvement in these two areas would mean better team defense and stronger overall team rebounding, two phases of the Coyote game that were weak last year.

The teams consistency was a factor in the strong and well balanced North Yosemite League.

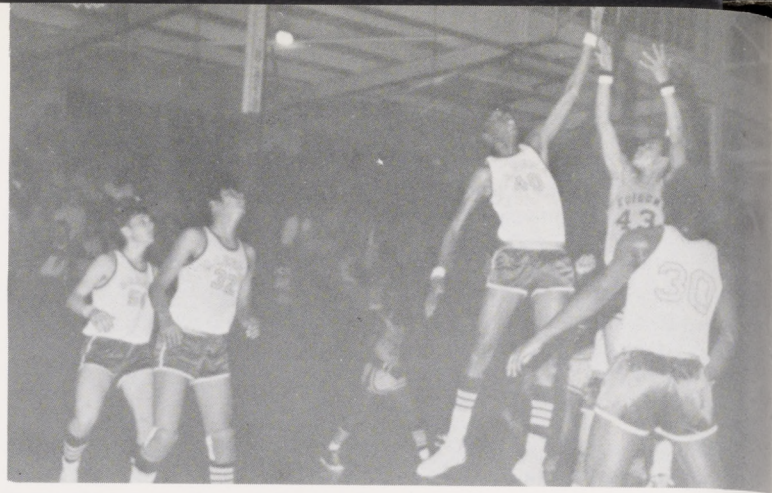

The Coyotes had improved and had hopes to get better as the season progressed. In addition to the fourteen game league schedule, the Team played seven non-league games and was entered in two tournaments. They were at Sanger December 12, 15 and 16, and entered in the First Annual Warrior Tournament held in Las Vegas, Nevada, December 21, 22, and 23.

This year's team has contributed much to wrestling throughout the Valley and state. They have boosted the win-loss record to 127 wins and 9 losses since 1965. They have won over half of the major tournaments and established a 17-1 dual match season. Most of the team are seniors and will greatly be missed. However, our J.V. team looks strong and will fill in the slots the coming year. This is the first season that we have not been N.Y.L. Champs in the past six years. Varsity tennis

The Tennis Team is looking forward to having a very good year. Among the varsity players returning are five lettermen. One singles, Ron Row and double players Wes Kobyashi, Tom DaSilva, and Alan Potter. Freshman Fred Verduzco should be playing a lot of singles and David Nino, George Ramirez and Robert Poytress playing doubles.

Madera's Tennis Team will be performing under a slightly different format this season. As in the past, both boys and girls are participating in the sport, but this year scores will be kept separately, and there will be no mixed doubles competition. The girls have four returning lettermen: Pat Bodine, Eva Reyna, Samantha Fulsom and Louise Vanderlaan. These girls, along with Denise Potter, Teresa Tucker, Patsy Baldrige, Gladys Deniz, Cheryl Fant, and Karen Kirk will form one of the finest girls team ever to represent Madera High.

Madera High has a large Junior Varsity and Freshman girls tennis team. There are many fine players on these teams and these girls should represent Madera High extremely well in the years to come.

There's so much I don't yet understand
the how and why of growing
maybe if you take me by the hand
we'll have an easier time of
learning, and knowing.

Afro-American Club Promotes Professional Careers

Afro-American club members Sam and Stephenie discuss photographic techniques

The Afro-American Club, having over eighty members, has tried throughout 1972 to "tell it like it is" - to foster participation and acceptance in all school clubs and affairs, to emphasize to the school and to the community the dignity, vitality and tremendous potential of black teenagers. To encourage more black students to aim for professional careers as well as aspiring to better positions in the business and industrial fields and to help and encourage black students to better academic and vocational achievements in school.

The officers and other leaders of the club have piloted the members through a series of successful activities some of which earned money for the two \$100 scholarships awarded to black graduating Seniors, and for a trip to Oakland on Martin Luther King's birthday. The club held a car wash, sponsored an after-game dance, gave several parties at the Lake Street Center, produced a Black Talent Show, did a dance act for the International Week assembly, presented a series of activities celebrating Black Week, and heard several outside black speakers at regular meetings.

future homemakers help sponsor needy families

The future homemakers entertained their mothers at a Christmas potluck at the home of their advisor Mrs. Kaylor on December 7. They presented two of the members' mothers, Mrs. John Euleess and Mrs. Juanita Ray with pins and named them "Mothers of the Year" in recognition of their help with chapter activities.

The club has been very active this year with seven girls attending the state convention on November 27,28,29 at Asilomar in Pacific Grove, California. Those who attended were Regina Fryer, Donna Allen, Charlotte Ray, Pamela Euleess, Linda Chandler, Lori Bernardi and Debbie Stucky. Advisors Mrs. Pat Stagner and Mrs. Geraldine Kaylor went with the group.

The girls have also had candle sales, rummage and bake sales and other fund raising activities.

The group has an "adopted family" to send food, toys and items of clothing to for their Christmas service project.

annual staff

The 1973 Annual Staff is one that I will remember with a great deal of pride and satisfaction. Beginning in August, the staff began to sell advertising with hope of collecting \$3500. Yearbooks sales totaled approximately \$7400.

A yearbook is only as good as its staff—and our staff was comprised of experienced veterans who, combined with ambitious newcomers, endeavored to produce a quality artistic and journalistic product. We sincerely hope that those of you who will go back in future years and browse through this annual will find as much pleasure in rereading it as we had in making it live again for you.

Block m sponsors homecoming

Block M Week 1972 was a traditional one, basically following the fine precedents set down through the years. The theme was "Coyote Country." The main activities this year started on Wednesday with a semi-authorized bonfire out at a secret location. There was a real nice turnout and was a lot of fun. The next day was the Boy-Girl football game and although the girls were short the action was quick with Rollison's Foreheads winning 21-14. Friday started early with the judging of the floats with the Senior Class and Mexican-American Club winning the awards. School got out early for the parade and the downtown rally was held at the County Government Center. That night, halftime activities were led by the floats and then the queen candidates—Pat Flores, Terri Taylor, Pauline Uhalde, and Cheryl Haynes. Their male companions for the night were Bob Bruer, Mark Dewitt, Brooks Whitehead, and David Boyle. After the new queen, Pauline Uhalde, was crowned by Block M Vice President Lee Spotts, the Coyotes went on to win our first game of the year and the first homecoming victory in many years by a score of 7-0.

CHRISTMAS BALL

AN OLD-FASHIONED CHRISTMAS

This year's Christmas Ball was a complete success! With an attendance of over 150 couples dressed in their formal attire, were capering to the sounds of "Starvation."

The couples were chauffeured in a bright red sleigh to the midst of the tall Christmas tree which set the scene for the title of "AN OLD-FASHIONED CHRISTMAS."

The creative planning and decorations was done by Girls' League. With the aid of a few cooperative males they were able to transform the girls' gym into something that portrayed the feeling of Christmas.

Santa Clause, of course, made his appearance in his brilliant suit of red and distributed candy canes to everyone.

The evening of December 9, 1972, will be one that will be well remembered.

MADERA HIGH ENTERTAINS FOREIGN GUESTS

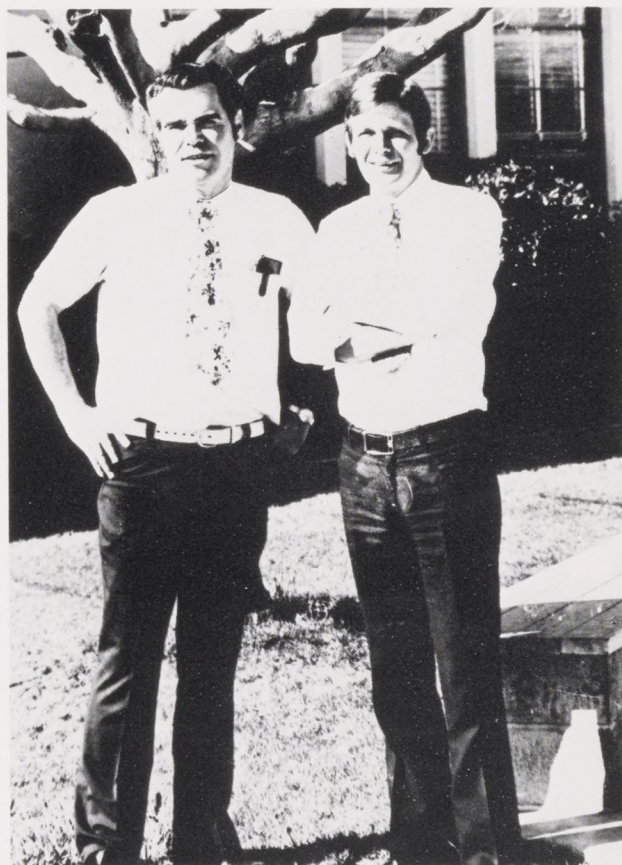

Above: Karin Hubrich, A.F.S. Foreign Exchange Student from Germany.

This year has been a very great year for me. To a large extent it was made possible by the student body and the teachers of Madera High School; and, therefore, I would like to thank all of you for the wonderful experiences I shared with you.

During my stay I talked to a lot of people, especially to students of Madera High. One of the tasks an A.F.S. student has is to promote understanding between the people of different nations. I consider this very important, and so I tried to give people in Madera an idea of what my home in Germany is like, what my life is like, and also why I came here in the first place. My most important reason was that I wanted to learn about a different culture with different people, in order to get a feeling for different nations and to understand the world a little better, but at the same time I hoped to be able to get a better understanding of the American people.

I learned a lot during this year and saw things I had never seen before in my life. One of these things was simply the American high school. I experienced the many social activities, which were almost unknown to me in that amount, but which were always a lot of fun. I thoroughly enjoyed my stay in Madera. I had many valuable experiences which will be significant during all my future life. Thank you for everything you gave to me!

Karin Hubrich

Above: Lucca Rudan visits Madera High with Mr. Zupanovich.

Lucca Rudan, a 25 year old geographic engineer of Yugoslavia, visited Madera High while he was staying at the home of Mr. Zupanovich, a U.S. History teacher here.

Lucca says the streets of Yugoslavia are very safe. One is able to be out late at night without fear of being harmed.

In Yugoslavia kindergarten through the eighth grade is mandatory. A high school education is not required, and is applied for in a similar way as college is in the United States.

Lucca stayed in the United States for two months. During his visit he talked with Government Officials in Washington, D.C.

Lucca said he was enjoying his visit in the United States and hoped to return someday.

“Sportsmanship” EDITORIAL STIRS MADERAN CONTROVERSY

The 1972-1973 MADERAN staff is one that I will not readily forget. Edited by 1971 California Press Women's Association award winner Barbara Anderson and Elaine Pyle, the school paper achieved new standards of excellence in general reporting, editing, as well as displaying a streak of editorial controversy that spanned four issues and alienated half the white section who attended Madera's home football games. The rest of the staff—John Dean, Chuckie Durbin, Marie Esparza, Gail Davis, Ed Beckman, Terri Dees, Loretta Steele, and Denise Deniz — did a most tolerable job as page editors and photographers and advertising personnel.

The staff was fortunate this year to add an outstanding group of beginning journalism students at the semester break. I expect fine things of these students and strongly suspect that they will push this year's regulars for page editor's jobs during the 1973-1974 school year.

Hey Diane,

If you ever get rid of your yellow streak. Perhaps you might advance to our level. But I don't doubt it. Well we kind of had fun didn't we. Matter of fact some of the things I've talked you into doing would surprise you. I really aren't that different in the need I explain I think not. Oh, yes don't forget to send my invitation to your wedding in two years or sooner which ever suits you. If you ever forget to get quite enough well try something.

Autographs

Diane, I can't describe in words what I think about you! (But I'll try!) You really are nice, considerate and an ALL ROUND GREAT!! Person! I'll see ya at a horse show probably. Hope to have you in a class next year!
